PASTOR'S CORNER

My Dear Family,

Since the beginning, water has been one of God's favorite symbols. As God created the earth, land shot out of the water as if being born from it. It was by water that the world was cleansed of an evil generation, sparing Noah and his family in the ark. It was by water that the Hebrews escaped the pursuing Egyptians in the days of Moses. It was by the water of the river Jordan that the people of Israel first entered the promised land. And it is also by water that Christ was revealed as the Son of God, as the Gospel tells us today.

Water is God's most effective tool. It gives us life, it cleanses us, it saves us, it gives us a new beginning, and it makes us sons and daughters of God the Father. It does all of this at the same time through the sacrament of Baptism. When we were baptized in Christ, we became sons and daughters of God. May he be well pleased in us.
