## PASTOR'S CORNER

*My Dear Family,*

*God is love. God existed before creation. Therefore, love existed before creation. Love (God) is the primary power in the universe and has always been and always will be. Yet, love cannot exist within a vacuum, it cannot exist on its own. Love needs a source and a summit, an origin and a purpose. Love can only exist when there is someone who gives the love and someone to receive the love. Love can only exist in three. Lover, beloved, love. Father, Son, Holy Spirit. God is love, therefore God is Trinity.*
