PASTOR'S CORNER

My Dear Family,

What makes a place heaven? Is it the clouds, the angels singing, or the ever present sunbeams we often see in depictions of paradise? Solid gold houses with swimming pools or tables of delicious foods that magically don't make you fat? Not at all. What makes heaven a paradise is God. Wherever God is truly present, heaven is there too. When we go to Mass, heaven is present because God is present. When we do some good, heaven is there in the good action because God is found wherever his commandments are obeyed. Indeed, heaven is a place where God's will is done by everyone all the time. If, therefore, you wish to possess heaven, then keep the commandments, for they are that pearl of great price which is more precious than all the money in the world.
