## PASTOR'S CORNER

*My Dear Family,*

*Preparation is important. Whether it be saving up for a car or preparing for a test in school, it is always wise to prepare ourselves as much as possible. When we wait to the last minute, or worse yet, wing it, we often suffer for it. Sure, we might luck out and everything will align in our favor, but more often than not, we pay the price for being unprepared.*

*If preparing for our everyday life is so important, how much more important it is to prepare our soul. One of the overall purposes of our earthly life is to prepare for our heavenly life. When our Lord tells us to live out our Christian lifestyle, he is telling us to prepare for heaven by living a heavenly lifestyle while still on earth. All of our good works, all of our time in prayer, all of our fight against temptation; these all serve a single purpose: To prepare us for heaven.*
