PASTOR'S CORNER

My Dear Family,

Our Lord warns us that, while there will certainly be signs of the so-called End Times, it will not be some massive cataclysm of decimation which leads to an era of doom. Rather, it will happen fast, during a regular day. Life will be going on in its usual way, and just like that, Christ will return to judge the living and the dead. Yet Christ tells us to stay awake, to be aware of His second coming and to prepare. How? By turning our “regular days” into “days of preparation.”

What does our regular day look like? Do we use it to grow closer to God and serve one another? Or is it full of indulgence and personal time, or even sin? On average, do we spend more time each day doing God’s will or our own will? Turn every day into a sacred day. Let your usual routine reflect a true disciple of Christ.
